Dear Sir -

I have one silver U. S. Half Dollar - of 1854 coinage. Under the Eagle is written "Half Dol." Over the Eagle is written "United States of America". On the reverse side is a seated figure - perfectly plain. Under this figure is written "1854" Over this figure are 13 stars. Kindly state what you will allow for a coin of this kind. It is in good condition.

Very respy,

(Miss) Ethel L. Jones
